

Cat B fit-out and refurbishment of the Honeycomb, Gateshead

We appointed Gerald and Jamie to support our office relocation project, particularly to project-manage the contract administration of the Cat B fit-out works, together with facilitating our dilapidations negotiations on our previous property.

The support and advice we received from Mableson Hall was first class. Gerald and Jamie are experts in their field and they ensured that the relocation project ran smoothly, on-time and within budget, offering proactive solutions to obstacles along the way.

Throughout the project, Mableson Hall shouldered a significant amount of the administrative burden, freeing up our management team to focus on the important project decisions, without being distracted from the day-to-day running of the business.

We are delighted with the end result and wouldn't hesitate to engage Mableson Hall again in the future, and I would highly recommend them to other tenants seeking support for similar projects.
